

PCOTC Club Meeting

April 26, 2017

PCOTC members: Please come if you can!

We need a quorum to complete our Bylaws revision!

We will be looking at the Membership section, which covers types of membership, election to membership, fees and dues, rules for voting, and termination of membership.

Most particularly, we will be discussing the definition of a "Member in Good Standing": a requirement for voting, how someone achieves and keeps that status, instances in which the Board of Directors may waive certain requirements, etc.
