Sundays at the Club With Rover

Port Chester Obedience Training Club, 220 Ferris Ave., White Plains, NY 10603

TeachRover.com

In January through April 2010, spend a couple of hours on Sundays at the club with our Family Manners instructors and your favorite pooch! We have something fun for everyone!

Come learn with us. "Rocket Recalls" teaches your dog to come flying to you, anywhere, anytime! Learn how to introduce your dog to other dogs in a safe way and prepare for dog park visits in "Social Skills for Dogs." Come to "Children and Dogs Together" which promotes a safe and healthy relationship with your dog and kids. To get your dog's attention when you need it, join us for "Making the Connection." If walking is kind of a drag, join us for our two part "Loose Leash Walking" workshops.

Pre-entry required. Bring a HUNGRY dog and a bag of tiny, tasty treats – more than you think you will need, and better than you have ever offered! There are two ways to participate: Register as a working team with your dog OR leave your dog at home and come as an auditor and watch. Each workshop costs \$25 for a working dog/handler team, and \$10 for each auditor without a dog. Additional entry forms at our facility and on our website, TeachRover.com. Workshop limit: 12 working teams per workshop. No reactive/aggressive dogs please. For more information contact Karen Reilly CPDT, pawsforobedience@yahoo.com, phone 914-698-3695. **More details next page.**
